

Dom's big night

It was a blustery night when the *Shape* Sanex grand finale took place in Cape Town recently, but inside the venue, appropriately named The Runway, our eight finalists glowed with radiance as they took to the ramp. Dominique de Villers was thrilled to take the title, because, she said, it's not just about beauty!

More than 300 guests were entertained by sultry local *a capella* band, Soul; talented acrobatic performers; and MC, Kfm's Richard Hardiman but the eight finalists were the stars of the night – every one is a true beauty.

Our thanks to co-sponsors: Nike and Virgin Active. Visit www.shapemag.co.za for more pictures and video from the night.
